

LAN Storage

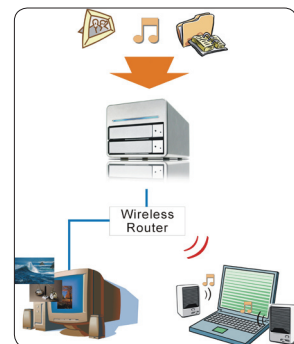

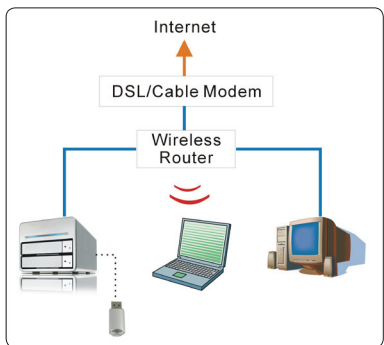

### SL3620-2S-LB2

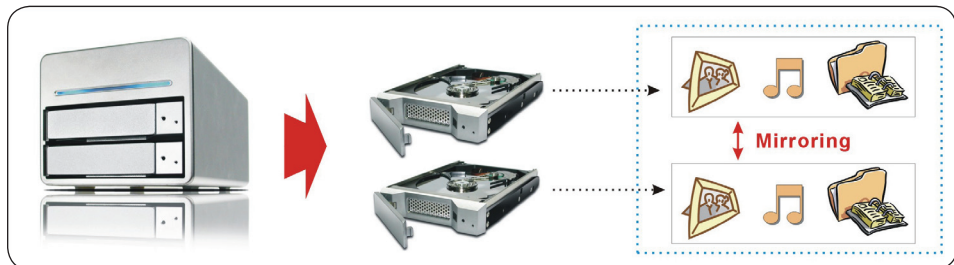

Has high data transfer rate by using SATA hard disks through Gigabit LAN Port and supports RAID 0 and RAID 1 levels. It is the best Network-Attached Storage device designed for the small-medium enterprises and SOHO group who need files sharing and authorization control. Designed as gorgeous, small-scale and aluminum case material with low RPM cooling fan concept which is able to keep the best performance of system. No matter SOHO group or household user requires to expand data storage area or small-medium enterprise requires data sharing area on the Local Area Network, it is easy to connect with the SL3620-2S-LB2 to access data or share files.

※ Connects easily to any network

※ Share data, files & digital multimedia amongst computers within a network

※ Real-time data synchronization backup via RAID 1 Mirroring Technology

# LAN Storage

※ **Supports iTunes Server**  
Share the music file easily, let the computers in the same area network can all share the music with iTunes. (supports AAC, MP3, WAV)

※ **Supports DHCP Server**  
Can set up into DHCP model and assign the IP address automatically. Do not have to troublesome for the IP setting.

※ **System auto-detector**  
Design for temperature and fan status and warning by the purple LED light.

※ **Supports BTorrent download**  
Through the management software to download BT file on the network easily, and can be in case of not turning on the PC, finish download automatically.

※ **Support FTP, File Server & Authority manage**  
Embedded management software, It can become a files server easily to further control the file sharing subject and limit of authority.

※ **Supports various operation system**  
Support Windows, Linux and Mac.

## ※ Hardware Specification

Host Interface	1 x Gigabit LAN Port
Drive Interface	2 x 3.5" SATA HDDs
Expansion Interface	1 x USB2.0 Port
Microprocessor	Storlink 3516 (ARM-9 300M Hz)
System Monitor	Yes
Cooling Fan	3cm Fan x 1 + 4cm Smart Fan x 1
Power Supply	100-240v / 70W
Dimension (mm)	122W x 205D x 105H
Weight (kg)	2
Package Contain	Power cord / CD / User Manual / Accessories kit
Certificate	CE / FCC

## ※ Software Specification

IP Configuration	Dynamic IP, Static IP, DHCP
File system	Ext2, Ext3, Fat32
Protocol	CIFS/SMB, NFS, FTP
RAID level(s)	0, 1
Multi-media server	iTunes, Photo & Files
Supports BTorrent	Yes
BT flow rate limit	Yes
Authority manage	User, Group, Folder
Management	Web GUI
Error message notify	Yes, by e-mail
System log	Samba, FTP, DHCP, System, Administration
O.S Required	Windows 2000, XP, Vista / Linux / Mac 10.4 or above
